

TOWER CART

ITEM: AHS-EN-SSTTC-DBC-2C

Carts are made using fully-welded stainless steel construction with a dolly base (with corner bumpers) for added stability. Standard 6" full-swivel casters (2 with brakes) provide easy maneuverability. Standard configuration is 8 wire shelves and 15 shelf slides. Each shelf is able to hold 235 lbs.

Overall dimensions: 35"W x 26"D x 69"H
